Proposed Plan text-120213 draft7-R2 response to HQs comments.docx

The comments & responses are included in this old draft of the Proposed Plan. I'm afraid you'll have to go to the new draft to see how we actually carried out the responses (if there was text added).

I am sorry about the quick turn-around, particularly around the holidays. Hope you have a Merry Christmas and Happy New Year!

Hi Alice – I'd like the file on how the comments were addressed. I do believe that I can meet your due date.

Attached is a more complete version of the Proposed Plan for the lower 8 miles of the Lower Passaic River. More figures & tables will be sent in subsequent e-mails (3). There is a separate file with notes on how we addressed your comments from last time – please let me know if you would like to receive that as well.

We were hoping for comments by Jan 10.
